Subject: **WASH IN SCHOOLS PROGRAM'S RECOGNITION PROCESS FOR THE AWARDING OF SEAL OF EXCELLENCE 2021**

The Office of the Undersecretary for Administration (OUA) through the Bureau of Learner Support Services – School Health Division (BLSS-SHD) ensures that a well-established recognition system is in place for the implementation of the WASH in Schools (WinS) Program. This is to underscore the importance of appreciating collective efforts that lead to the successful and topnotch implementation of the said program.

In this regard, the BLSS-SHD recommends adoption of the WinS Program's recognition process for recipients of the first Seal of Excellence award.

Attached are the following documents for ready reference: (1) Complete Staff Work; (2) Annex A: Timeline for Seal of Excellence Validation and Awarding; and (3) Annex B: Sample Template for Self-nomination.

For more information, queries and concerns on the abovementioned subject, please contact Dr. Maria Corazon C. Dumlao (Chief Health Program Officer) or Mr. Venerich B. Berba (Education Program Specialist II) of BLSS-SHD through (02) 8632 9935 and email at blss.shd@deped.gov.ph .

For immediate and appropriate action.

COMPLETE STAFF WORK

WATER, SANITATION AND HYGIENE IN SCHOOLS PROGRAM'S RECOGNITION PROCESS FOR THE AWARDING OF SEAL OF EXCELLENCE 2021

I. BACKGROUND INFORMATION

A. Rationale

The WASH in Schools (WinS) Program aims to contribute to the overall goal of achieving learning and health outcomes and improving school attendance of students through a comprehensive, sustainable, and scalable school-based water, hygiene, sanitation, and deworming program. As a holistic and comprehensive program, WinS specifically targets the development and promotion of (i) correct hygiene and sanitation practices among school children; and (ii) clean environment in and around schools to keep learners safe and healthy.

The key strategy is to enable ALL schools to comply with the set of standards for proper and correct health practices, which covers the following:

1. Water (potable water for drinking, clean water for cleaning)
2. Sanitation (waste management, environmental sanitation; food sanitation)
3. Hygiene (Oral hygiene, proper handwashing, menstrual hygiene management)
4. Deworming
5. Health education

In 2016, DepEd Order No. 10, s. 2016 titled *Policy and Guidelines on the Comprehensive Water, Sanitation and Hygiene in Schools (WinS) Program* was issued with the objective of providing a healthy and conducive learning environment for Filipino learners. The policy introduced basic requirements and standards that schools should have access to and implementation of healthy routines in schools to keep learners healthy and fit for learning.

The DepEd adopted the Three-Star Approach, which introduced an integrated system for quality assurance, monitoring and merit system.

Since 2017, DepEd, with the support of WASH in Schools Technical Working Group (WinS TWG)¹ and other partners, conducted a series of capacity building activities for DepEd Regional Offices (ROs) and provided technical assistance in the full implementation of the WinS Program.

¹Core members of the WinS TWG consist of the Bureau of Learner Support Service – School Health Division (lead), UNICEF, GIZ, and Save the Children Philippines.

During the past three school years covering 2017 to 2020, significant milestones were already made by DepEd in the implementation of the WinS Program. The 2020 WinS Online Monitoring System reports that 88% of schools participated in the monitoring, which is an increase of 22% from the baseline in SY2017-2018. Participation in WinS monitoring also reveals impressive improvements with a significant increase of schools meeting national WinS standards and reaching three-star levels from 41 schools in SY2017-2018 to nearly 1,000 schools in SY2019-2020.

B. WinS Recognition System

As per WinS policy, part of the responsibility of the DepEd Central Office (CO) through the Bureau of Learner Support Services – School Health Division (BLSS-SHD) is to “establish a set of standards for incentives and awards to recognize outstanding program implementers.” The WinS Three-Star Recognition System was established to put premium to both the improvement efforts of the school community as well as the results of these efforts. There are three types of recognition of the school’s WinS implementation as described below:

1. The **Citation of Appreciation** is given to a school for improving its star level rating measured by implementation quality and compliance with WinS standards. This translates to movement to a higher star level rating from the previous year’s rating. The Citation of Appreciation shall be awarded and signed by the Schools Division Superintendent.
2. The **Recognition Award** is given to a school for reaching the national standards. This translates to reaching the three-star level of WinS Program Implementation (achieving between 75 to 100% of WinS indicators). The Recognition shall be awarded and signed by the Regional Director.
3. The **Seal of Excellence** is awarded to a school for successfully maintaining its status as a Three – Star School for at least three straight years. The Seal of Excellence shall be issued by the Central Office.

With the fourth school year (2020 to 2021) of implementing the WinS Program, the DepEd through the BLSS-SHD will identify schools that shall be awarded the first Seal of Excellence.

II. LEGAL BASIS/REFERENCES

- A. DepEd Order No.10, s. 2016 titled *Policy and Guidelines for the Comprehensive Water, Sanitation and Hygiene in Schools Program (WinS) Program*
- B. DepEd Memorandum No. 194, s. 2018 titled *Implementing Guidelines to DepEd No. 10 s. 2016*

III. PROCESS OF SEAL OF EXCELLENCE RECOGNITION AND AWARDING

Based on the existing process and mechanisms under the WinS Three-Star Recognition System, below are the steps towards awarding the Seal of Excellence:

- A. Following the generation of the WinS Report, the school may alert the Schools Division Office (SDO) about the accomplished self-assessment report.
- B. The SDO will then validate the WinS report of schools and identify those that registered a Three-Star rating which was sustained over the past three school years (2017-2018, 2018-2019, 2019-2020). The **validation process should be aligned and integrated to the usual school monitoring and technical assistance activities/cycle of the SDO.**
- C. After the validation of school results, the SDO shall ensure endorsement and communication of the validated list of school/s as candidate/s for Seal of Excellence to the RO (e.g., WinS Regional Advisory Board or to the *Oplan Kalusugan sa DepEd* TWG) for review and endorsement to DepEd CO through the BLSS-SHD.

The RO has the **option** to conduct a review of the candidate school/s through ANY the following:

1. Review of submitted supporting documents (e.g., self-assessment report, pictures, videos)
 2. Accessing the WinS OMS in the covered school years
 3. Conduct a physical or virtual school visit, and/or interviews (e.g., Focus Group Discussion, Key Information Interviews)
- D. The Regional Director will formally endorse the candidate school/s to the CO through the Office of the Secretary, with copies furnished to the BLSS and SHD. The CO will evaluate the submission for the recognition of the Seal of Excellence.
 - E. A communication letter will be sent to the school through the RO.

IV. AWARDING CEREMONY

The awarding of the Seal of Excellence shall be done virtually via online platforms (e.g., Google Meet, MS Teams, Zoom, etc.). Representatives from the school (e.g., School WinS TWG), SDO (e.g., SDO WinS TWG), RO (e.g., RD, WinS RAB or OKD RO TWG), LGU representatives, and other school community stakeholders may be invited upon proper communication and endorsement to the SDO.

For schools and DepEd offices that will join the ceremony in groups of people, strict health and safety protocols in accordance with DO 14, s. 2020 shall be implemented.

Awards shall be in a form of certificate and/or complementary incentives subject to the availability and legality of utilizing DepEd funds.

Note that should conditions allow for the next year, the Seal of Excellence awarding will be done in-person.

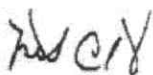

V. POTENTIAL BENEFITS

The awarding ceremony for the recipients of the first Seal of Excellence shall enable schools to continuously improve and strive to reach and sustain the most coveted three-star status that indicates meeting the global standards in the implementation of WASH in the context of schools.

VI. RECOMMENDATION

Adoption of the WinS Program recognition process for the first Seal of Excellence is recommended.
