OUA MEMO 00-1221-0052
MEMORANDUM
 07 December 2021

For: Undersecretaries and Assistant Secretaries
 Bureau and Service Directors
 Regional Directors and BARMM Education Minister
 Child Protection Unit
 Schools Division Superintendents
 Designated Tobacco Control Coordinators
 Designated Brief Tobacco Intervention Providers
 Designated NDEP/BKD Coordinators
 School Heads
 Child Protection Committees

Subject: **PARTICIPATION IN/STRONG SUPPORT FOR THE
 2ND SMOKE-FREE LGU FORUM**

The Department of Interior and Local Government (DILG), together with the Department of Health (DOH), the Department of Education (DepEd), and Health Justice Philippines, will hold the **2nd Smoke-Free LGU Forum: Sustaining Smoke-Free Communities in the New Normal on 13 December 2021**, Monday, at **2:00-5:00 p.m.**, via Zoom teleconference. This event will also be available for live streaming through the organizers' official Facebook pages.

During the forum, DepEd is expected to discuss that schools are among the critical environments that must be protected in the new normal. As face-to-face classes gradually resume, learners will spend most of their time in schools. Maintaining a smoke-free environment will help reduce to a minimum the risk of transmission of COVID-19 and other airborne diseases, and help reduce smoking prevalence as well as health and socio-economic burdens that comes with it.

In this regard, DepEd offices and personnel are invited to participate in/ actively support the said forum:

1. Designated tobacco control coordinators (per DepEd Memorandum No. 147, s. 2018) across all governance levels are invited to join the forum via Zoom teleconference, and utilize insights from the forum in planning tobacco control activities in their respective areas of jurisdiction.

Office of the Undersecretary for Administration (OUA)

They are also enjoined to coordinate with the units and personnel concerned in their respective offices for necessary support for the said forum, including information dissemination, mobilization of participants who will join via Facebook livestream (e.g., representatives of concerned RO/SDO units, school heads), and sharing of activity posters and livestream via the Facebook pages of their offices.

2. Representatives from the **Child Protection Unit** under the Office of the Undersecretary for Field Operations (OUFO) are also invited to join the forum via Zoom teleconference, and to help ensure participation on Facebook livestream of Child Protection Committees, the identified focal unit for tobacco control at the school level, per DepEd Order No. 48, s. 2016.
3. All other units at the Central Office that have a stake on tobacco control are invited to also participate in the forum via Facebook livestream.
4. NDEP and BKD Coordinators are also invited to support and participate in the activity, to ensure harmonization of efforts for holistic substance use prevention.
5. Managers and administrators of the Facebook pages of DepEd offices and schools are invited to share the posters and the actual livestream of the activity.
6. All other teaching and non-teaching personnel are invited to participate in the forum via Facebook livestream.

The following are the instructions to join the specified platforms for DepEd participants:

DepEd Participants	Platform/Instructions for Registration
<p>Designated National, Regional, and Division Tobacco Control Coordinators</p> <p>Representatives of the Child Protection Committee</p> <p>Representatives from Central Office units</p>	<ol style="list-style-type: none"> 1. Register for a slot at the Zoom platform through https://bit.ly/2ndsmokefreeguzoomreg . <ol style="list-style-type: none"> a. For the Organization Field, indicate Department of Education-<CO/RO/SDO>. PROGRAM DESCRIPTION

Objective: The 2nd Smoke-Free Local Government Units Forum aims to gather local government units and conduct a dialogue on how they can sustain the implementation of smoke-free environment programs in the new normal. The forum will discuss how smoke-free programs can complement the current health protocols to minimize, if not eliminate, the transmission of Covid-19 at the community level. Finally, a study will be presented to suggest on how the smoke-free environment programs can be funded to ensure a sustained implementation.

Technical Presentation:

- The **Department of Health** will discuss how a smoke-free environment can prevent smoking-related illnesses as well as diseases caused by exposure to second-hand and third-hand smoke. Furthermore, the DOH will explain why a smoke-free environment is integral in the overall effort to address the Covid-19 pandemic.
- The **Department of Education** will discuss that one of the critical environments that must be protected in the new normal are the schools and learning institutions. Students will spend most of their time in schools and it is important to reduce to a minimum the risk of transmission of the Covid-19 virus and other airborne diseases. Maintaining a smoke-free environment will also help the overall efforts of the government to reduce the prevalence of smokers in the Philippines as well as health and socio-economic burdens that comes with it.
- The **Department of the Interior and Local Government** will discuss the role that local government plays in promoting a smoke-free environment to address the Covid-19 pandemic. It will include a discussion on the best practices adopted by different LGUs in promoting a smoke-free environment as well as the challenges they face in sustaining such programs due to limited budget and competing priorities.
- **HealthJustice Philippines** will present a study that was conducted in partnership with the University of the Philippines National College of Public Administration and Governance showing that allocating at least 1% of the local investment plan for health, local government units can kick-start or even sustain their smoke-free environment programs. This will involve a presentation of a menu of programs and strategies where the proposed 1% of their Local Investment Plan for Health can be allotted.
