In line with this, we would like to request the presence of representatives from DepEd in the said event. As well as your stakeholders from public/private schools, PTA, and other interested participants.

The meeting will be held on **June 7, 2022 from 2:00 pm to 5:00 pm**, to attend the through **Zoom or WebEx meetings**.

The round metal gong of the Cordillera known locally as "gongsa" is a symbol of the upland people's culture that has been passed on from generations to another.  
The profile of a person blowing a "tangguyub" represents a community being called for an important matter or action.  
The lines that shape the mountains, the rice terraces, clouds and rivers symbolize the connectivity and flow of human interaction in a geographic area such as the Cordillera.  
All the symbols combined represent unity and harmony of its people with culture and environment in beautiful settings for Self-determination.
