**Office of the Regional Director**  
 Department of Education

Dear Regional Director:

Greetings in the name of continuing education and lifelong learning!

In support of the ongoing Basic Education Learning Continuity Plan in time of COVID-19, the Center for Human Research and Development Foundation (CHRDF) Inc. organized the **National Conference on Engaging Families in Education** with the theme *Family Engagement in Education: Creating Effective Home and School Partnerships for Student Success* on July 22-24, 2022 in Institute of Social Order, Ateneo de Manila University Campus, Katipunan Ave., Quezon City. This learning event is open to all school stakeholders especially school leaders, teachers and parents. This conference will be done in hybrid modality. Options for in-person and online participation will be made available. Venue for the in-person training will be announced soon. CPD points will be applied.

Family engagement is critically important to student achievement, but while most educators recognize its importance, they need opportunities to develop particular skills, knowledge, and dispositions to effectively integrate families into the life of the school. Family Engagement in Education prepares educators to create a school culture that honors and respects the knowledge that families bring to the learning process. This conference through different sessions aim to share best practices in family engagement and identify strategies they can use to promote student learning and improve educational outcomes for all.

The following were set as conference objectives:

- Understand what the latest research on family engagement means for your school
- Understand what systemic, integrated family engagement looks like, as opposed to random acts of engagement
- Explore the infrastructure, roles, and skills required to sustain an effective engagement strategy
- Learn how to define and measure outcomes and to evaluate practice

We hope that your office can help us disseminate this information to all target audiences through a regional issuance/communication. Attached here with are program rationale, breakout session topics, registration rates, fee inclusion and payment process. Interested participants may email us at chrdf.inc@gmail.com for complete details. Thank you.

Sincerely yours,

**Ms. Virginia P. Gapuz**  
 President

and pm snacks.

**Conference rationale:**

This three-day conference convenes educators and school leaders from around the country who delve into research on family engagement and learn how to align family engagement initiatives with standards-based reform. You will participate in plenary sessions and small working groups where you can dig deeper into topics relevant to your interests or community. Topics discussed in past institutes have included home visits, outreach to fathers, balancing privilege and power, race in family engagement, and finding sustainable funding for family engagement.
