Good day!

As you are aware, the first of our RECPE activities, the Mass Training of Teachers in Teaching Research, is originally scheduled for October 20-22. However, due to circumstances beyond our control, we've made the decision to postpone the event until further notice. This will also be the case for the other activity, the Research Implementation Plan scheduled next month.

In line with this, we would like to request your good office for the dissemination of this information to the participating schools in your region.

We apologize for any inconvenience this caused. While we know this is disappointing, we hope you understand that this is the right step to take in order to ensure the quality, meaningfulness, and success of this endeavor.

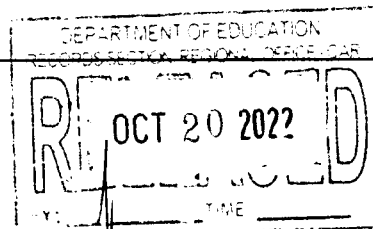

Rest assured that we will be notifying you here once we finalize the date and other details. Again, please accept our sincere apologies regarding this matter.

Thank you very much!

Regards,
