The Kingfisher School of Business and Finance's Accountancy, Business, and Management (ABM) Organization would like to invite senior high schools in your region to join ABM CUP V to be held on March 28, 2022 for the Elimination Round and April 1, 2022 for the Grand Final via Zoom conference.

This year's competition will be the organization's fifth installment. ABM CUP continues to conduct activities with the purpose of providing an avenue for senior high school students to showcase their skills in the field of Accountancy, Business, and Management. Last year, a record breaking 181 schools nationwide participated in the event, something truly unprecedented.

In line with this, the Kingfisher ABM Organization is proud to announce the launch of its flagship event, the 5th Online ABM CUP, with the theme: "Information System: Accountancy as a Building Block of Academic Excellence through Competitive Experience"

This event is free of charge and in order to ensure impartiality, Kingfisher's ABM students are prohibited from joining the competition.

In this regard, we would like to request your good office to endorse the said event by sending regional and/or division memoranda to the schools involved.

For more information on the guidelines, kindly refer to the Implementing Rules and Regulations attached herein.
