Dear Director Donato:

We are pleased to inform you of the successful conduct of the NEDA CAR Outreach Program for pupils of the Balangabang Elementary School and Pangablan Primary School as well as senior citizens of Barangay Tuel, Tublay on December 8, 2015. With the objective of having a more meaningful Christmas celebration, the staff decided to visit one of the poorest communities of the municipality. School supplies and hygiene kits were distributed to 61 schoolchildren while grocery items and medicines were provided to 22 senior citizens. In addition, reference books were also donated to the schools and medicines from the Department of Health – CAR were turned over to the Municipal Health Office.

Thank you for your support to this activity that provided the staff the opportunity to touch base with the people who are the ultimate beneficiaries of the government's development plans and programs. Identification of the beneficiary-schools was through the assistance of Mr. Lucio Alawas of DepEd-Benguet while coordination of the activity was through the school principals Mr. Edwin Marino and Ms. Claire Felipe. The teachers, Mr. Mark Albis, Ms. Noemi Felix and Ms. Paulina Mero ably assisted and facilitated the conduct of the program that included games for the children, song and dance numbers from the pupils and messages from the NEDA staff, teachers and senior citizen representative.

It was a heartwarming experience that inspires us to do our best as we all look forward to 2016 with excitement and hope.

Very truly yours,
