**Ellen B. Donato, CESO III**  
 Director IV  
 Department of Education C.A.R.  
 Wangal, La Trinidad  
 Benguet

Dear Dr. Donato:

Greetings!

Thank you for your information and dissemination of our seminar-workshop on Inclusive Education for school heads/principals. It is just so disheartening that the schedule seem not to allow most of the target participants to attend. As to date, no confirmation of participation was received by us. We understand that the school year is about to end and it requires more attention from school leaders. With this circumstances, it is with regret that we call for postponement of the seminar-workshop. Rest assured, the seminar-workshop will be pursued this year and we shall work for a better schedule to accommodate our school principals/heads.

This is therefore a request for the Department to disseminate the postponement until further notice of the above mentioned seminar-workshop originally slated for March 14-16, 2016 at Sta. Catalina Spirituality Center, Marcos Highway, Baguio City.

Your time and efforts are deeply appreciated.

Sincerely yours,

  
**NAAS DEMYTTENAERE**
