Dear Regional Director Cariño:

Greetings!

The University of the Cordilleras Integrated School - Office of the Student Welfare Services will be conducting its Annual Career Streaming with the theme: **Know The University and Build Your Future Here via Zoom on March 11, 18, and 25**. In line with the school's intention to realize its avowed social responsibility and giving back to the community, we would like to invite public school learners to participate in the activity.

The Career Streaming includes interactive discussion on the program offerings and support services that the University provides to learners including career opportunities that are available to them.

In relation to this, may we request your good office to grant an endorsement of our activity to DepED schools under your jurisdiction. Your endorsement will greatly help in our efforts to establish partnership with your schools. Please find attached program of activities for details.
