Dear Dr. Eclar:

Greetings!

The Cordillera Administrative Region Pencak Silat (CARPS) association continuous with its commitment to sports development by the regular conduct of Pencak Silat trainings, especially to our teachers and other school staff. This is also in response to the growing demand for licensed Pencak Silat referees, juries, and trainers.

This year's **2nd Panagbenga Pencak Silat Training for Referees and Juries**, to be conducted on **March 14-18, 2018 at the Baguio Athletic Bowl Pool Side**, is a 5-days regional training which includes a 2-days tournament to be participated by pesilats from all over the Cordillera region and also from other schools and martial arts clubs from outside the region.

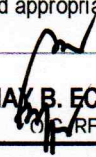

In connection with this, we are inviting teachers, DepEd trainers, and other interested staff to participate in the above activity. The training prepares participants for the examination and licensure of Pencak Silat referee and jury. A registration fee of PhP 2,000.00 will be collected from each participant to cover training fee, training manual, certificates, and CAPRS membership fee. We are also inviting your Pencak Silat players to participate in the tournament. A minimal tournament fee of three hundred fifty pesos (PhP 350.00) per player will be collected. Registration for the tournament will be at the venue on **March 17-18, 2018 at the Baguio Athletic Bowl Pool Side.**

We will be glad to respond to your inquiries through our mobile numbers +63925-333-5580 or +63939-171-3403.

Thank you very much and we fervently pray for your favorable action to this invitation.

Respectfully yours,

REYNALDO D. SAMSON
