Dear Dir. Carifio:

Greetings!

We are happy to announce that the Department of Science and Technology-Science Education Institute (DOST-SEI) S&T Undergraduate Scholarship application for the Academic Year 2023-2024 is now open. All graduating STEM students and non-STEM students belonging to the top five percent (5%) of their graduating class who are inclined to pursue lifetime careers in science and technology are encouraged to apply.

With this, may we request your good office to disseminate the scholarship program to your Schools Division Offices (SDOs)? Online application is open until December 2, 2022, through the E-Scholarship Application System: <https://www.science-scholarships.ph/>. Qualifying examinations are scheduled on March 11-12, 2023.

Moreover, DOST-CAR through its Scholarship Unit will conduct a region-wide scholarship campaign from October 17, 2022 to November 25, 2022. We wish to invite Grade 9-12 students for an orientation about the Scholarship Program. Hence, we would like to request your permission to allow target students from the identified schools to participate in the said campaign.

Attached is the initial schedule of the scholarship caravan for reference. This will be coordinated with the Schools Division Offices.

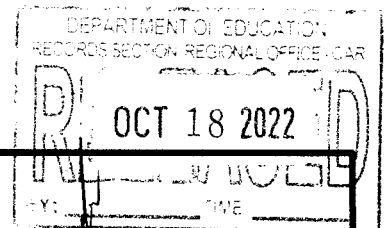

Our staff, Ms. Nove-me-an A. A-ayo, will be coordinating with you in relation to this campaign. Likewise, should you have further queries, you may contact us at (074) 422-0979 or 0907 913 2231.
