DEPED-CAR

1. The enclosed list are proposed recipient schools for procurement of soil testing proposed to be programmed in CY 2018 Basic Educational Facilities Fund (BEFF) New Construction.
2. In view of the need to do soil testing prior to the preparation of Program of Works, the Division/Region is hereby advised to proceed with the procurement activities, short of award, while waiting for the release of the Sub-Allotment Release Orders (Sub-ARO) from DepEd Central Office (CO) to the Division Office (DO) and Regional Offices (RO).
3. The DO/RO are hereby ordered to start the procurement process immediately upon issuance of this authority following the attached Terms of Reference (TOR). If the procurement process will not be started within the standard procurement period, the concerned DO/RO is instructed to report the unobligated funds immediately to the Budget Office (copy furnished EFD). As such, the DepEd CO will evaluate if the issuance of a negative Sub-ARO is necessary so it can identify other priority projects for school building Repair/Rehabilitation. The failure to procure and/or report in the specified period will be reflected in the performance ranking of the DO/RO.
4. If a school is evaluated not to be programmed with multi-story buildings, the Division/Region may conduct soil testing to schools proposed to be constructed in 2019 onwards. Schools in the attached list which are not subject to soil test investigation must be taken into account by submitting a summary with corresponding proposed type of building. The summary shall be submitted to EFD.
5. Immediate dissemination of and strict compliance with this Memorandum is directed.

For guidance and strict compliance.
