ROAD TO SEAGAMES 2019 PHILIPPINES:
SEPAKTAKRAW REGIONAL LEVELLING SEMINAR &
WORKSHOP ONLY FOR CORDILLERA ADMINISTRATIVE
REGION REFEREES ON 27-28 OCT AND 3 NOV 2018

Madam and Sir,

2019 the Philippines will host the coveted SEA Games that will be held in Subic, Olongapo City. This early we are shortlisting Referees who will be able to attend our ladder of Referee Licenses, the National Technical Official (NTO) Course whose passers will be included in the Asian Referee (AR) Course, thus allowing passers to serve in the 2019 SEA Games and as many International Sepaktakraw Federation competitions.

We ahem chosen your region since it is strategic to the Subic, Olongapo City venue and more so we have noticed your Sepaktakraw teams winning medals in the recent 2018 Palarong Pambansa in Vigan and also the current 2018 National SCUAA in Antique. We pray you will provide this opportunity to all your Referees in the region to be categorised as Level 1, 2, 3 and 4. All Level 4 Referees shall advance to higher NTO and AR Licenses.

On hindsight, Sepaktakraw is a highly skilled game which requires depth of knowledge to scrutinize specific techniques of acrobatic and somersault movements of athletes. This prowess does not come overnight. In order to achieve this, specific technical rules knowledge and coaching skills are required.

The big challenge therefore is to equip all the athletes, coaches, referees, and other stakeholders with the highest technical interpretation of the rules to perfect the execution of athletes from practice until performance is achieved with excellence in every game. This determines which level are your Referees in the delivery of fair judgment to athletes. This is where we have high regards that your referees can be part of our quest in the 2019 SEAGAMES.

This is why we will need this 3-days regional levelling of CAR Referees, training them and honing their skills. Hence, the objective of the levelling will:

1. allow coaches, athletes, referees, and enthusiasts to come together as a group to achieve a common direction for excellence and Gold performance in our 2019 Palarong Pambansa hosting;
2. afford each of your regional Referee justice as to what level of officiating are they really categorized based on international standards;
3. provide common interpretation of the recent 2017 released Law of Sepaktakraw;
4. create a direction of understanding from the viewpoint of the coaches, athletes, referees, and stakeholders;
5. establishing a very attractive atmosphere for the sponsors, benefactors, and spectators of Sepaktakraw, and
6. put substance in our hopes anchored on our failure to reach the Top 5 Overall in the Palarong Pambansa 2018 in Vigan.

Being a self-liquidating activity, a measly P800 Registration for the entire 3-days Training Seminar will be asked from each participant who will get a Certificate of Recognition & Appearance, Materials in PDF, and morning and afternoon snacks. An Official Receipt will be issued by yours truly the speaker. Payment shall be paid in Cash. The Registration has been reduced from P3,000 to P800 only.

Our sincere request for DepEd Cordillera Administrative Region under your administration for the Regional Levelling Seminar is to:

1. issue an Advisory/Memo for the Referee-participants from all the Divisions in CAR you see can bring pride to your region
2. issue an Advisory/Memo for the Referee-participants from all the Divisions in CAR you see are relevant in shaping the future of your Sepaktakraw teams;

3. identify La Trinidad, Benguet as venue being the center most part of the region as seminar venue and approve its use to accommodate the participants in rooms for free; and
4. appoint Mr. Conrad Caniero and Mr. Greg Parrocha, DepEd National Referees from your region as Facilitators who are active in the sport.

My representation shall bring the:

1. LCD projector, laptop, and other presentation needs;
2. PDF lecture materials;
3. snacks for the participants; and
4. Certificates of Recognition and Appearance.

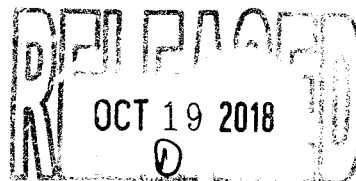

Praying for your support to this endeavor.

A Report of the Referees with specific Levels will be submitted to your offices in order to determine early who are qualified to advance to the next level leading to the 2019 SEAGAMES Referee Licensing.

Yours Sincerely,

JOLLY JUNIA LABOY
