Medical Officer IV

Dear **DR. ECLAR**:

Warm greetings!

POPCOM-CAR will be conducting the **Regional Training of Trainers on the Adolescent Health and Development Learning Package on July 16 - 18, 2019 at Venus Park View Hotel, Kisad Road, Baguio City** as follow-up to the training conducted in 2018. With this, we would like to invite the **regional focal person on Adolescent Health and Development Program** to participate in the said activity. We would also like to ask for your assistance in **coordinating and ensuring that DepEd Division Offices also send their participants to the training.**

The regional training aims to capacitate local population officers and implementing partners to coordinate and conduct advocacy and capacity-building activities. The three-day training includes the deepening of understanding of AHD Program core messages through POPCOM learning modules such as the **Sexually Healthy and Personally Empowered Adolescent (SHAPE A) Toolkit, Parent-Teen Talk, and Information and Service Delivery Network for Adolescent Health and Development (ISDN4AHD)**. This will be complemented with a series of workshops and case studies for application of learning.

In line with the enhancement of POPCOM's training programs and elevating the level of competency of participants, a certificate of completion (in addition to certificates of participation) will be issued to those who will pass the whole course.

We have attached a confirmation slip to be accomplished and submitted on or before July 10, 2019 to popcomcar@gmail.com and popcomcar@yahoo.com. For inquiries, kindly contact Ms. Edelene Ann G. Fernandez at 0927 785 8297.

We thank you for your continued support to the Philippine Population Management Program. We hope for your positive response regarding this matter.

Very truly yours,

MAGDALENA G. ABELLERA
