Dear Dr. Eclar:

Please be informed that the 2019 PISAYKLABAN: Regional Quiz Show was moved from July 19, 2019 to July 26, 2019 due to our present weather condition. The venue of the event will still be hosted by the Philippine Science High School Cordillera Administrative Region Campus here at Irisan, Baguio City. The rescheduling was made to consider the travel time and distance of each participant coming from the different provinces of the region.

in connection to this, may i request for a memorandum from your office to be disseminated to all the participating provinces and travel order of each teacher-chaperone and/or coaches who will leave their school to participate in the regional quiz show.

Thank you in advance and looking forward for a good partnership with you.

Very respectfully yours,
