SUBJECT : **TEMPLATE OF STANDARD PROGRAM OF WORKS (POWs)**  
**TO BE USED BY THE DEPED ENGINEERS/ ARCHITECTS**  
**FOR LAST MILE SCHOOLS PROGRAM**

Attached herewith is the Template of Standard POWs to be used by the DEPED Engineers/ Architects in the preparation of POWs for Last Mile Schools Program (LMS). The Standard POWs include the **Construction of One (1) Storey – Four (4) Classrooms DPWH – DEPED Design School Building (with provision of Rainwater Collector), Furniture, Solar PV Energy System, and Water System (with 3 Design Options)**. Other designs are allowed if the 3 available design options are not applicable in the actual site conditions. The DEPED Engineers/ Architects should provide justifications (i.e., plans, calculations, other documents) upon submission of prepared POWs for the purpose of review, evaluation, and concurrence.

The Unit Cost in the Standard POWs were based on National Capital Region (NCR) database. The DEPED Engineers/ Architects are required to use the Unit Cost of their respective Schools Division Offices.

For your strict compliance.
