DepEd Task Force COVID-19
MEMORANDUM No. 328
03 February 2021

For: **Secretary LEONOR MAGTOLIS BRIONES**
Undersecretaries and Assistant Secretaries
Concerned Bureau and Service Directors
Regional Directors and the BARMM Minister of Education

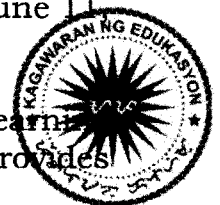

Subject: **REITERATING THE PROTOCOLS FOR AREAS**
UNDER GCQ AND MGCQ

As some areas of the country have moved from the Modified General Quarantine (MGCQ) to the stricter General Community Quarantine (GCQ), the DepEd Task Force COVID-19, reminds all the units at the Central Office, the regional offices, the schools division offices, and schools to ensure the strict observance of the protocols depending on the community quarantine classification of their respective province, city, or municipality.

All concerned are invited to refer to the attached summary of the key protocols per community quarantine, based on the **Omnibus Guidelines on the Implementation of Community Quarantine in the Philippines, with Amendments as of January 21, 2021**, issued by the Inter-Agency Task Force for the Management of Emerging Infectious Diseases.

It is noted that some provisions of the IATF Omnibus Guidelines need to be updated to align with the most recent issuances of the Department and/or the pronouncements of the President, particularly:

1. **Section 4(11)a**, which provides that “opening of classes for the basic education shall be on 24 August 2020 and shall end on 30 April 2021,” whereas DO 30, s. 2020 or the Amendment to DepEd Order No. 007, s. 2020 provides that “for SY 2020-2021, schools shall formally start the conduct of teaching activities on October 5, 2020 and shall end June 11, 2021;” and
2. **Section 5(6)**, which provides that the Basic Education Learning Continuity Plan (BE-LCP) shall be adopted, whereas the BE-LCP provides

that, "in areas with low-risk severity, schools will be permitted to hold classes through the face-to-face modality. Class size shall be reduced to 15 to 20 learners in a classroom," while the latest pronouncement of the President has been to suspend the resumption of face-to-face classes.

It is therefore clarified that in this case, the most recent issuances of the Department or pronouncements of the President shall prevail. The DTFC shall issue a separate memorandum to suggest DepEd's recommendations to the IATF on the necessary updates in the future amendments of the IATF Omnibus Guidelines.

For the working arrangement in the Department, all are advised to adhere to the latest issuance of the Department on alternative working arrangements in DepEd offices and schools, unless new guidelines are issued. To date, this is the DepEd Order No. 11, s. 2020, or the Revised Guidelines on Alternative Work Arrangements in the Department of Education During the Period of State of National Emergency Due to COVID-19 Pandemic, issued 15 June 2020, which provides that:

1. Under GCQ, in order to limit exposure and ensure physical distancing, the number of personnel physically reporting to work shall not exceed 50% of the total workforce of the office/school/CLC.
2. Under MGCQ and post-community quarantine scenario, DepEd may operate at the full operational capacity as may be allowed by required health standards, including physical distancing protocols and adoption of appropriate work arrangements.

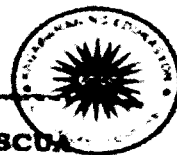

Furthermore, in compliance with Civil Service Commission (CSC) Memorandum Circular No. 18 s. 2020 on the Amendments to the Revised Interim Guidelines for Alternative Work Arrangements and Support Mechanisms for Workers in the Government during the Period of State of Public Health Emergency due to COVID-19 Pandemic, each office/school shall ensure that at least one staff is physically present during the core working hours (8:00 a.m. to 5:00 p.m.) of each workday in order not to prejudice public service delivery.
