Greetings!

The Civil Service Commission, as the premier human resource institution of the government, endeavors to professionalize and empower people and organizations in the civil service to uphold public service excellence and continuity. The Teachers' Congress will gather licensed professional teachers and other interested participants from the Department of Education and other agencies. It aims to enable participants to demonstrate an increased appreciation and understanding of the relevant issues and various policies affecting the teaching profession and to inspire them to create and embrace an inclusive teaching and learning environment.
