Dear Dir. Cariño:

The Philippine Science Heritage Center (PSHC), a premier science center in the country under the management of the National Academy of Science and Technology, Philippines (NAST PHL), is mandated by Republic Act No. 9107 to serve as the main repository of the achievements and contributions of Filipino scientists in science and technology. PSHC will be conducting a special **MYS: Socializing with Our Social Scientists on 25 May 2021, Tuesday, 10:00 AM, via Zoom.**

Meet Your Scientists (MYS) program aims to promote S&T to the youth and the general public. In this activity, renowned Filipino scientists are invited to share their knowledge and experiences on the chosen topic. It also serves as a platform to encourage the youth to pursue a career path in Science, Technology, Engineering, and Mathematics (STEM) including Social Sciences, increase awareness of the young minds on the given topic, and celebrate the contribution and knowledge of the Filipino scientists.

May we request your assistance in disseminating this information to the teachers and students under your supervision? Interested participants may register at <http://bit.ly/MYSSocialSciences>.

Attached herewith is the program of activities. Your positive response will be greatly appreciated.
