SUBJECT : OWNERSHIP DOCUMENTS OF CAR

Dear Ms. Eclar,

Based on the Memorandum issued dated March 16, 2017 by Used. Alain A. Pascua, the securing of building permits is a joint undertaking by DepEd and the proponent.

As per Memorandum, DepEd shall provide the following documents to MCC for the application of permits:

1. Seven (7) sets of location plan (complete with vicinity map and certification of Geodetic Engineer as to the true position of the proposed building plotted therein, with proper setbacks required);
2. Six (6) copies of Transfer Certificate of Title (TCT) duly certified by the Register of Deeds;
3. Six (6) copies of Tax Declaration;
4. Six (6) copies of Real Estate Receipts for the current year; and
5. Lease Contract/ Deed of the Sale of the lot (if any).

May we request for the Regional Office to coordinate with the SDS for the turnover of the required documents as per Memorandum. This can be submitted by the concerned principals during the regular meeting so we can secure them in one DepEd office for consolidation.

This procedure is the most efficient and practical way of securing the ownership documents from the principal so the SDS could also monitor the ownership documents in his area of responsibility.

MEGAWIDE

We hope that we can coordinate with your office to settle the pending issue of building permits as required by the DepEd Central Office. Hoping for your continued cooperation for this endeavor.

Yours truly,

NORMAN ESCOBAR
Regional Director
