**Background**

This is with reference to the electronic mail that the International Cooperation Office (ICO) received last 28 October 2020, from the German European School Manila, with an attachment of the scanned invitation letter and list of the participating universities.

The German European School Manila (GESM) is an international, multi-lingual, co-educational school, celebrating its 40<sup>th</sup> Anniversary this school year. Operating under the umbrella of the European International School on the Euro Campus in Parañaque City, they offer K-12 education, from Kindergarten to Grade 12. They are an International Baccalaureate (IB) World School (IBDP and PYP program) and a duly recognized UNESCO school that aims to develop students into global citizens committed to a sustainable future. GESM is fully accredited by the German Government and forms part of a network of 140 German schools abroad, monitored and supported by the German Government via the ZfA, the Central Agency for School Abroad (Zentralstelle für das Auslandsschulwesen).

**Re.: Endorsement – GESM University Fair 2020**

Dear Honorable Secretary Briones,

I hope this letter finds you and your family well.

First and foremost, I would like to express our gratitude towards you and your office for taking the time to engage with us in regard of a possible official endorsement of your honorable office for our **Annual University Fair** to be held on **Friday 27<sup>th</sup> of November 2020** between 9:00 am and 3:00 pm.

As mentioned previously, this time our University Fair will be organized as a virtual event, hosted by us, the German European School Manila.

Please find the program attached.

This year's **GESM University Fair** will be a daylong event, furthermore, we would be honored if you will take part of our program by sending us a short video message as an opening remark. Alternatively, you would also be welcome to connect "live" to our video stream. We would be more than honored to receive an opening remark and greetings from your office.

We do expect around 30 participants per invited school; thus, we expect to have around 500 participants overall. The participation requires a registration on part of students or teachers. Please do let us know, if you or members of your honorable office would be interested to participate as well.

The endorsement of your honorable office, visible on all outgoing information material, would enable us to invite students at non-private schools via their school administration, to join us at this first virtual GESM University Fair.

In hope for your favorable reply.

With kind regards,

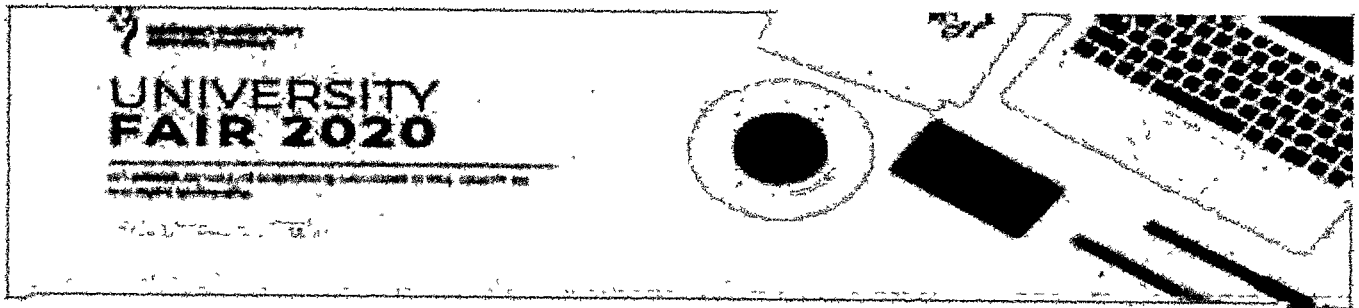

**VOLKER ROSS**
