Tanggapan ng Pangalawang Kalihim

**MEMORANDUM**  
26 September 2018

**For: Regional and Division Engineers**  
**Regional Directors**  
**Schools Division Superintendents**

**Subject: VALIDATION OF PROPOSED PROJECTS FOR 2020**  
**BASIC EDUCATION FACILITIES FUND (BEFF)**

In preparation for the submission of the budget proposal for the 2020 Basic Education Facilities Fund (BEFF) by March 2019, **all Regional and Division Engineers are hereby instructed to immediately proceed with the validation of the proposed priority projects** for School Building Repair/Rehabilitation, School Electrification, and Gabaldon Heritage School Building Programs.

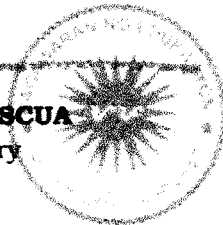

In the selection of the priority list for the aforementioned projects, the following must be considered:

- Prioritization of the school under the Five Year Comprehensive School Facilities Development Plan (CSFDP);
- School originally planned (under the CSFDP) to be covered by the 2019 budget but were not programmed due to limitation in the funding cover;
- Gabaldon Buildings already inspected and validated by the Gabaldon Team from the Central Office.

Given the recent developments in the programming of the 2018 and 2019 projects, each Region/Division must update and revise its Five Year CSFDP. Validation and submission of the updated/revised CSFDP will be made on December 2018 during the Year-End activity of the Education Facilities Division (EFD) with the Regional and Division Engineers. **The validation activities must be completed by December 31, 2018 while the preparation of the Program of Works (POWs) will be scheduled by January 2019.**

For guidance and compliance.
