**Estela L. Cariño, EdD, CESO IV**  
Regional Director, Cordillera Administrative Region  
Department of Education

Dear Dr. Cariño:

Greetings of peace!

We are glad to inform you that our study entitled "*K-10 Values Education Teachers' Academic Qualifications and Teaching Effectiveness in the Philippines*", has gathered 5% of the total population of Edukasyon sa Pagpapakatao teachers across the country.

Based on the recent data from the Department of Education, the total number of Edukasyon sa Pagpapakatao teachers in your region is 6,141. As of today, June 8, 2022, we have received 62 responses from your area. We worry that your region might be underrepresented in the results of our study.

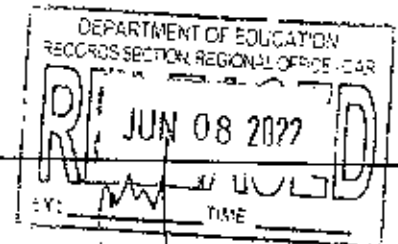

In line with this, we would like to once again appeal for your assistance in the dissemination of the survey questionnaire to the EsP teachers in CAR. We are extending our data collection until June 19, 2022 with the hope that all DepEd regions will be represented. Below is the survey form link and QR code for easy dissemination.

Should you have questions or points of clarification, please do not hesitate to contact us at 0928 9523 387 (Kristine Patoc). You may also communicate with one of our research advisers Prof. Elanor Bayten at (0917 8913 193) for any concerns you may have for this study.

Thank you very much.

Respectfully yours,

Republic of the Philippines
