PRESS RELEASE

**PRC ENCOURAGES PROFESSIONALS
FOR EARLY RENEWAL OF PROFESSIONAL IDENTIFICATION CARD**

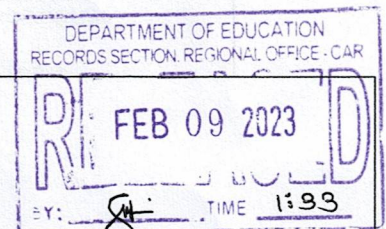

Have you experienced renewing your Professional Identification Card (PIC) but cannot get the earliest appointment date prior to your PIC's expiration? Do you need your PIC for human resource actions as you are to be promoted? Have seen a better career opportunity and needs to submit your professional credentials? Are you a practicing professional that needs to have an updated PIC?

The Professional Regulation Commission (PRC) encourages professionals to renew their PIC early to avoid inconveniences, loss of work opportunities, and applicable penalties to be incurred for late renewal. ADVANCE application for renewal of PIC is accepted 11 months prior to its expiration with no additional fees to be incurred.

All professionals are likewise informed that in the absence of the required Continuing Professional Development (CPD) units, they can still renew their PIC provided that they sign the UNDERTAKING portion of the renewal form pursuant to PRC Resolution No. 2022-1577 dated September 22, 2022 extending the acceptance of CPD Undertaking for the renewal of PIC until 31 December 2023.

Grab the opportunity to transact with PRC Cordillera mobile team in various mobile outreach services scheduled in the Cordilleras as regularly posted on the Facebook Page <https://www.facebook.com/prc.cordillera>.
