*Henerasyon ng Pagkakaisa: Kaagapay sa Bagong Pilipinas*

My warmest congratulations to the graduates and completers of School Year 2024-2025! This occasion is not just a celebration of your academic achievements but also a testament to your resilience, perseverance, and determination.

This year's theme, "Henerasyon ng Pagkakaisa: Kaagapay sa Bagong Pilipinas," highlights the power of unity in building a progressive nation. As future leaders and innovators, may you use your knowledge and values to help transform our country. Today is just the beginning of new opportunities, and we encourage you to embrace the challenges ahead with courage and purpose.

The Department of Education remains committed to its 5-Point Agenda—prioritizing learner well-being, empowering teachers, enhancing the curriculum, strengthening governance, and fostering partnerships. In DepEd-CAR, we take pride in being Weavers of HOPE and Transformation, where HOPE stands for Holistic Opportunities for all to be Performing and Excellent. This is our driving force to inspire and guide every learner toward a brighter future. Thus, as you graduate today, may you be our partner in moving towards a new Philippines - a just, prosperous, and progressive nation.

To our dedicated teachers, thank you for your unwavering passion in shaping our learners. Your hard work, wisdom, and compassion are deeply valued. To our non-teaching personnel, your behind-the-scenes efforts ensure the smooth delivery of education, and we are grateful for your contributions.

To parents and guardians, your support and sacrifices are the foundation of your children's success. May you continue to be their pillars of strength. To our partners and stakeholders, we extend our heartfelt gratitude for your continuous support in uplifting education.

Dear graduates, step forward and uphold unity, perseverance, and excellence. Strive to be catalysts of change and nation-building. The road ahead may not be easy, but with hope and determination, you will soar high and embrace the future with confidence.

Once again, congratulations!
