Dear Director CARIÑO,

Warm greetings of peace and solidarity!

The UPLB Sociology Society is a duly recognized academic organization for Sociology majors at the University of the Philippines Los Baños. For more than 40 years, the organization has been true to its goal of promoting the discipline of Sociology inside and outside the university, continuing to forge camaraderie among Sociology majors in UPLB.

To further promote the disciplines of Social Sciences among the public, the organization will conduct an event entitled **"Husay ng SokSay 2022: Panlipunang Pagkatuto, Hulmahan ng Diskurso."** It is an inter-high school event aimed to introduce and promote awareness of relevance and significance of various fields of Social Sciences among all senior high school students in the Philippines. Specifically, the objectives of the event are as follows:

- Spark and cultivate interest among SHS students toward the fields of Social Sciences, including Sociology;
- Increase awareness and appreciation of the youth on the importance of Social Sciences on the development of society; and
- Introduce the fields of Social Sciences, especially Sociology, as a viable undergraduate course option, and eventually, a potential career pathway.

Moreover, Husay ng SokSay will feature a contest, or series of contests, that ultimately highlights the importance and contributions of various fields in Social Sciences, especially Sociology, in bettering the society. The series of contests includes **essay writing contest**, **mobile phone photography**, and **speech competition**. The acceptance of entries starts from April 4 to April 22, and all winners will be awarded on May 6, via Zoom.

With this, we are humbly requesting your good office to **help us disseminate** our event "**Husay ng Soksay 2022: "Panlipunang Pagkatuto, Hulmahan ng Diskurso"** to the schools in your region. We believe that this event is inclined toward one of your goals in enhancing students' interest in Social Science disciplines. The activities prepared by the organization will also equip students with the necessary knowledge to understand and appreciate the contribution of Social Sciences, especially the discipline of Sociology in our everyday lives. This will also serve as an avenue to correct the misconceptions about this discipline, in terms of career paths, relevance, and significance to our contemporary world. For more details of the event and our organization, **kindly see the attached primer.**

If you have any questions, recommendations, concerns, and suggestions, please feel free to contact **Kim Riener D. Casiño** at kdcasino@up.edu.ph or contact us through our email: uplbsociologysociety@gmail.com.

Thank you very much.
