MEMORANDUM
 28 February 2022

**For: Regional Directors and BARMM Education Minister
 Schools Division Superintendents
 Principals and School Heads
 Teaching and Non-Teaching Personnel**

Subject: TEACHER TECH SUMMIT 2022

The Office of the Undersecretary for Administration (OUA) through the Information and Communications Technology Service (ICTS) supports the upgrade and upskilling of teaching and non-teaching personnel's competency in digital literacy education. Numerous free online webinars have been available through the internet since face-to-face gatherings and conferences with bigger audiences were put on hold due to the COVID-19 pandemic. The quench for learning to augment skills in instructional delivery using the latest technologies became a normal curve which quickly advanced many teachers to grasp the new normal way of teaching and learning.

The Department of Education (DepEd) is privileged to work closely in partnership with T4 Education to engage and enhance the transformative delivery of instruction that is future-ready and future-proof. **All DepEd teaching and non-teaching personnel** are highly encouraged to register and join the **Teacher Tech Summit 2022** organized by T4 Education scheduled on **25-26 March 2022**. The virtual conference is co-hosted by The World Bank and Owl Adventures. To register, please visit <https://eu1.hubs.ly/y0fRGC0>.

For questions, concerns, and clarifications on this subject, please contact Mr. Mark Anthony C. Sy, Head of the ICTS-Educational Technology Unit (EdTech), through email at mark.sy002@deped.gov.ph.
