Madam;

Greetings of Peace!

DEPED-CAR Time: \_\_\_\_\_

The Teachers' Dignity Coalition (TDC), a national organization advocating rights and welfare of the frontline workers of education sector would like to recognize your invaluable support to our endeavors- both in regional and in national level. Based on our records, TDC members and leaders in CAR have consistently participated in most of our national events. We attribute this active participation mainly to your support as we believe that you share our foremost objective of upholding the dignity of our teachers.

However, it is also observable that there is a very limited number of attendees from CAR. In this light, we would like to formally ask your permission to allow the TDC to introduce our organization in one of your ManCom meetings in the region. We believe that teachers should be given proper information and balanced views regarding the issues and concerns of the education sector. We also believe that the field officials as well as the school heads should be informed of any of the activities in the ground to avoid misunderstandings and animosity.

In behalf of the entire organization, I would like to express our sincerest gratitude for your caring and compassion as we anticipate your unrelenting support to all our undertakings.

Thank you so very much!

Respectfully yours,

**BENJO G. BASAS**  
National Chairperson
