Dear Dir. Cariño:

Warm greetings from Gokongwei Brothers Foundation (GBF)!

GBF supports the Department of Education's service of the Filipino learner through programs designed to strengthen STEM education. Acknowledging the criticality of the role of our educators, GBF provides educators' professional development programs among which is a scholarship program for teachers.

We wish to present the **TeachSTEM Scholarship Program** for pre-service and in-service teachers in the DepEd schools. We plan to facilitate town hall events this July and invite your students and STEM teachers to participate to learn about this TeachSTEM Scholarship Program. Attached is **DepEd Advisory No. 032, s. 2022** that tells of two of the subprograms.

In this light, we wish to invite you for a virtual meeting on **July 15 (Friday) at 4:00 PM**. Should you not be able to join this meeting, may we request for a representative or point person to attend on your behalf.

Should you have questions, kindly contact me on 0917.893.2780 or LynneGrace.Hernandez@gbf.com.ph.

We look forward to your positive response, all in support of our unified goal to help improve the quality of STEM education for our Filipino learners.

Sincerely,
