EXECUTIVE EDUCATION IN ORGANIZATIONAL LEADERSHIP AND DEVELOPMENT TRAINING

The Saceda Youth Lead School is offering a proposal for a training for all Regional Supervisors and SDO Grievance Committee Members to address organizational leadership with strong emphasis on Communication, Power and Organization Change.

The training will involve lectures and simulations focused on, (1) forming an effective and efficient team; (2) storming on how to achieve the vision, mission and other programs of attached agencies without getting so stressed out; (3) setting of the new rules of engagements to be followed with respect thereby inspiring the members of the team; (4) to perform well- where co-employee is being valued and respected; and (5) adjourning of personnel who do not catch up or respect organizational achievables and developments.

Interested Schools Division Offices may contact Saceda Youth Lead School but shall take into utmost consideration the guidelines on the use of Human Resource Development Funds as stipulated in Regional Memorandum 315, s. 2023 titled "Reiteration of Issuances Related to the Utilization of Human Resource Development Funds".
