Dr. Estela L. Cariño, CESO III  
Regional Director  
DepEd CAR

Dear Dr. Cariño:

Greetings from the Press!

We are very honored to inform you that the **EDUCATORS' LINK**, a national and international monthly professional magazine for teachers has come to existence with its maiden issue dated February 2021.

The roles and functions of teachers inside the classroom have evolved over the years. They are not only confined to the traditional set-up of education but also accepted the challenge of being multi-faceted educators. Teachers write their thoughts and use this macro skill to influence both their students and colleagues.

To support the teachers in this endeavor, the Aloysian Publications came up with the **EDUCATORS' LINK** providing teachers an opportunity to publish literary, journalistic, science, and research articles in a fine printed monthly magazine. The magazine also allows teachers to meet the requirements promulgated under DepEd Order No. 66 s. 2007 also known as the Revised Guidelines on the Appointment and Promotion of Other Teaching, Related Teaching, and other Non-Teaching Positions.

Its scope is national level as approved by the Department of Trade and Industry (DTI) and was granted accreditation by the National Library of the Philippines with ISSN: 2782-859X. Its circulation is international since there are contributors from other countries.

This publication serves as a forum about issues and concerns under education. The Educators' Link is an opportunity to air the voice of the teachers to the whole world as we all advocate on Educational Equity. Let their voice be heard, let's get them published!

For this, we would like to request for a DepEd Advisory informing the field for this advocacy. Thank you and we hope that you are with us on this mission.

Very respectfully yours,

  
CRISANTO E. AVILA, EdD, PhD
