Dear Ma'am:

Greetings from ETCOR Educational Research Center!

"RUN, RESEARCHERS! RUN!" Let this be your very first run in 2024!!! Join us on our journey to health and fitness!!!

"If you LOVE RESEARCH, this is for YOU!!!" Embracing The Culture Of Research (ETCOR) with poor health is not embracing it to begin with. Doing research at the expense of one's health defeats its main purpose to improve human life. ETCOR is more fun and more meaningful if we also embrace and promote health and fitness!

"Run, Researchers! Run! Go the distance and show to the whole universe that you are not just Researchers; that you can also be the Ultimate Health and Fit, Running Researchers of your generation!"

With the premises as mentioned above, *we would like to respectfully invite everyone, especially teaching and non-teaching personnel and researchers from your Region, as well as other professionals and sports enthusiasts, to join the event entitled "RUN, RESEARCHERS! RUN! ETCOR Educational Research Center's International Run for a Healthier Research Community (ETCOR Run 2024)" which will be held at the Clark Freeport Zone, Clark, Pampanga, Philippines, on January 7, 2024, Sunday, 4:00AM, and with details as follow:*

Online registration may be directly done via the link <https://tinyurl.com/ETCORRun2024> or by visiting My Runtime website at <https://www.myruntime.com/events#/> and look/click the event "RUN, RESEARCHERS! RUN! (ETCOR Run 2024)". In-store Registration is at Decathlon SM City Clark every Thursday, Saturday and Sunday from 1:00pm-7:00pm.

The event has **Cash Prizes, Raffles and Give aways!!!**

Beneficiary: Proceeds of the event will help researchers all over the country as they will be used to fund ETCOR's Research Grant Development Office (RGDO) assigned for the funding of the best research papers in the Philippines.

International Research Paper Poster Presentations, the very 1st International Running Event with Research Paper Presentations: ETCOR Run 2024, being the initiative of people who love and embrace the culture of research, will also be a historic one as it will be the very first international running event with International Research Paper Poster Presentations, as the organizers have decided to move its originally scheduled January 4, 2024 paper presentations (with DepEd Advisories Nos. 46, 075, and 088, s. 2023) to January 7, 2024 so it coincides with the ETCOR Run 2024. Said activity will be included in the ETCOR Run 2024 as the organizers believe that research and health and fitness are intertwined with each other, and conducting research paper presentations in a running event serves as a reminder on the importance of research findings dissemination which can include dissemination in a running event. Said activity will be an opportunity to better disseminate research findings as our media partners will also be able to cover the event. Registered research paper poster presenters automatically qualify as registered runners in any category (if they also wish to run).

ETCOR Run 2024 also serves as the **culminating activity of the International Awards for Most Outstanding Educators, Researchers, Professionals, & Humanitarian Advocates (Year-End Conferment of Awards)** which will take place on January 6, 2024, Saturday, 6:00PM, at the Quest Plus Conference Center, also located in Clark, Pampanga, Philippines. This means that said Awards Night will take place on the night before the ETCOR Run 2024. This symbolizes the
