PROFESSIONAL DEVELOPMENT WEBINAR WORKSHOP ON CREATIVE APPLIED SCIENCES INNOVATIONS FOR K-12 EDUCATORS

The De La Salle Santiago Zobel School shall conduct a webinar **Workshop on Creative Applied Sciences Innovations for K-12 Educators** with the first series focusing on robotics titled, **“Ideate: Catalyzing Learning through Creative Robotics Innovations.”**

The webinar series aims to present a series of topics highlighting instructional leadership to hone their instructional competence.

Interested participants may register and confirm on or before October 5, 2023, via <https://tinyurl.com/SPARKEDRobotics23>. For further information, please contact the SPARKEd Center Coordinator, Ms. Emelita C. Baylon, through sparked@dlszobel.edu.ph.

Participation of the interested participants is personal and shall subject to the no-disruption-of classes policy stipulated in DepEd Order No. 9, s. 2005 titled: “Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith”.

Subject: Re: Invitation to SPARKEd-Applied Science Professional Development webinar workshop

To whom it may concern.

I wish to express my gratitude and appreciation for acknowledging the invitation letter regarding the De La Salle Zobel's SPARKEd Center and the Applied Sciences Area Professional Development webinar workshop on Creative Applied Sciences Innovations for K-12 educators entitled "Ideate: Catalyzing Learning Through Creative Robotics Innovations." I sent this invitation letter last September 18, 2023. Since our event is scheduled sometime this week, may I humbly make a follow-up regarding this matter?

I hope to hear from you soon. Thank you very much.

Respectfully yours,

Re: **Endorsement for DLSZ's SPARKEd Applied Sciences Robotics
Webinar-Workshop Series**

Date: **Oct. 7 to 14, 2023; Nov. 11 and 19, 2023**

De La Salle Santiago Zobel School's (DLSZ) SPARKEd Center and the Applied Sciences Area is organizing a **Professional Development Webinar-Workshop on Creative Applied Sciences Innovations** for K-12 educators. The first part of the series focuses on **Robotics** and is entitled, "**Ideate: Catalyzing Learning Through Creative Robotics Innovations.**"

The four-week program aims to present a series of topics highlighting instructional leadership and creative innovations for robotics programs and computer technology subjects. There will be on-site and online attendees for the workshop-based design training to hone their instructional competence.

The following vital persons from your institutions will benefit most from this webinar-workshop:

- Academic Vice-Principal
- Computer Technology or Education Technology Coordinator
- Information Communication Technology Head
- Robotics Coordinator
- Subject Coordinators
- Teachers and Academic Personnel

By the end of the webinar-workshop, the participants will be able to:

- Develop an understanding of relevant and compelling creative platforms for Applied Sciences subjects;
- Follow instructional competencies in designing and implementing robotics and other creative innovations for applied sciences subjects and
- Conduct primary and advanced robotics programming.

As one of the country's best implementers of K-12 robotics education, we believe your administrators and teachers will benefit from this webinar workshop.

With limited slots, participants should register and confirm on or before **Wednesday, October 5, 2022**, via <https://tinyurl.com/SPARKEDRobotics23>.

You may visit www.sparked.dlszobel.edu.ph or <https://www.facebook.com/DLSZSPARKED> for additional information, or you may email the DLSZ SPARKEd Center at sparked@dlszobel.edu.ph for further inquiries.

SPEAKERS and FACILITATORS

DLSZ takes pride as one of the champions and frontrunners in the Philippines in Robotics integration in teaching and learning for primary education. Together with guest facilitators and speakers from the Department of Education, Young Engineers (YE), Data Science and Technology Corporation (DSTC), FELTA, and **DLSZ's Robotics coaches who have been continuously sharing their expertise with fellow educators and students will be the main speakers and facilitators of the seminar-workshop series. They are:**

- *Dr. Genevieve Pillar, Applied Sciences Area Chair;*
- *Ms. Joyce Calica, Robotics Unit Head;*
- *Mr. Jholan Torres, Computer Technology Unit Head;*
- *Mr. Lou Bryan Abrena, Senior High School Robotics Teacher;*
- *Mr. Norlito Bautista, Junior High School Robotics Teacher;*
- *Mr. Mark Denver Bernardo, Junior High School Robotics Teacher;*
- *Mr. Neil Christian Capanzana, Senior High School Computer Technology Teacher;*
- *Mr. Erjohn Ison, Junior High School Robotics Teacher;*
- *Ms. Rosa Masigon, Junior High School Computer Technology Teacher;*
- *Ms. Jumila Montano, Grade School Robotics Teacher; • Ms. Rica Paming, Junior High School Robotics Teacher; and • Mr. Dennis Patiño, Junior High School Robotics Teacher.*

WHO SHOULD ATTEND

The seminar-workshop is specifically designed for teachers, school heads, academic supervisors, and subject coordinators interested in learning about K12 robotics implementation in line with face-to-face instruction, online distance learning, and hybrid learning.

We have limited slots, so we request your **confirmation on or before September 20, 2023.**
