**DR. FRANCIS CESAR BRINGAS**

Assistant Secretary, DepEd Office of the Assistant Secretary for Operations

Dear Dr. Bringas,

Greetings of Peace!

I am Juliana Faith Orcino of the University of the Philippines Political Society (UP POLSCI), one of the leading academic organizations in UP Diliman.

Adhering to its pillars of leadership, service, excellence, and politics, the UP POLSCI continues to strive to promote the discipline of Political Science as an instrument in deepening our understanding of relevant social issues today. As part of our ongoing efforts, the organization has been conducting the annual Ped Xing Conference, the Premier Political Competition, Conference, and Camp in the Philippines.

Now celebrating its 15th year, with the theme "**Detours & Crossroads in Politics: YOUTH Reimagining the Routes,**" we are pleased to introduce Ped Xing: Politics 101 Camp. This two-day camp, scheduled to take place on May 11-12, 2024, at the University of the Philippines Diliman, aims to provide junior high school and senior high school students with a comprehensive understanding of political concepts through a series of talks, contests, and engaging activities.

Building on our previous successes, notably in our seventh year, where Ped Xing VII witnessed a significant expansion of its outreach, extending out to a larger demographic of young individuals with untapped potential. This achievement has been made possible through the support of the Department of Education (DepEd), which has endorsed our initiative through its issued advisories.

In this regard, we humbly request the assistance of your good office and inquire about the necessary documents needed for the issuance of a DepEd advisory for this year's event. Your guidance and support in this matter would greatly contribute to the success and impact of Ped Xing-XV.
