**2023 NATIONAL YOUTH SCIENCE, TECHNOLOGY, AND ENVIRONMENT
SUMMER CAMP (NYSTESC)**

The Philippine Society of Youth Science Clubs (PSYSC) Inc. will conduct the 2023 National Youth Science, Technology, and Environment Summer Camp (NYSTESC) on August 25-28, 2023 in Davao City that aims to heighten the interest and awareness of science clubbers in a specific field of science through lectures and interactive workshops while developing their interpersonal skills through interactions with students from different cultures. The target participants are junior and senior high school students, advisers, teachers and coaches from the different public and private schools in the country.

In this regard, this Office requests all the Schools Division Offices (SDOs) to disseminate the said invitation. Participation on the said activity is **personal and voluntary** and shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 titled "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith".

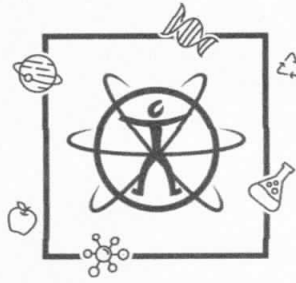

Attached is the Request for a DepEd Regional Advisory for the event.

For queries, please coordinate with:

ESTELA L. CARIÑO

Regional Director, DepEd Region CAR

Dear Ma'am Estela,

Greetings from the Science Clubbing Movement!

The **Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (Philippine Society of Youth Science Clubs), Inc.** is a country-wide organization committed to upholding the significance of science clubbing and in promoting public understanding of science, technology and environment. In a span of 52 years, the PSYSC has conducted positive, practical, and realistic activities and programs for elementary and high school students which enhance their academic perspective and their environmental and social awareness.

In this regard, PSYSC will be once again spearheading NYSTESC 2023 with the theme being **Fulgeum: Restoring the Order of the Fractured Lattice** which is scheduled on **August 25 to 28** in **Davao Region**. For this year, we will be focusing on **Materials Science and Engineering**, the discipline anchored on the understanding of materials and its applications to solve real-life problems.

We are humbly requesting your office's assistance for the said event by issuing a **memorandum**, if possible, or a **regional advisory** endorsing and with utmost dissemination of our events to our secondary schools in the region.

NATIONAL EXECUTIVE COUNCIL
