WHAT IS "ENIKKI" (ILLUSTRATED DIARY)?

In Japan we have a custom of creating "Enikki" (Illustrated Diaries) that portray daily events and thoughts in the form of a picture and a short essay. In an "Enikki" the author not only writes about things he/she has seen, heard, done or thought, but also describes his/her rich humanity and sensibility. Since pictures can transcend language and literacy boundaries, "Enikki" can be a very effective means for cross-cultural understanding.

"My life that I want to share with anyone in Asia" (You may choose any subjects you want for your diary) Any subject can be chosen from your daily life. Enikki can describe what you did, saw, experienced or had in mind in your daily life that you want your Asian friends to know and to understand, such as nature and climate, favorite games, family and friends, school life, and local festivals and traditional performing arts.

One of the Enikkis by Xantara San Juan, the Grand-Prix Winner of the Philippines in the 2021 - 2022 Enikki Festa.

In the Philippines we celebrate Flores de Mayo which we have processed or what we called "lagala". It's like a parade of games and processes! There are girls in pretty gowns with beautiful flowers to be offered to Maria Mary, mother of Jesus. It was a wonderful experience that I got a chance to participate in this tradition together with my brother as my secret. But this year was different, we were grounded and festivals because of the pandemic. Yet, we still have continued by having other way to celebrate despite at home. We did virtual Santacruzan for our little girls.
