1st INTERNATIONAL MULTIDISCIPLINARY RESEARCH & EXTENSION CONFERENCE

Batanes State College (BSC), in collaboration with four institutions in the nation, will host the 1st International Multidisciplinary Research and Extension Conference (IMREC) on September 19-22, 2023. The official endorsement from the Philippine Association of State Universities and Colleges (PASUC), the concept paper and the conference poster can be accessed through this link, <https://bit.ly/IMREC2023>.

The conference aims to provide a forum for teacher education researchers to disseminate their research findings that will help advance quality basic education and higher education in the country. Moreover, this conference is partnering with the Philippine Regulation Commission (PRC) accredited CPD provider so that the attendance to this conference is legitimately counted for the professional development points of the participants.

Anent to the foregoing, faculty researchers in the whole Cordillera Administrative Region (CAR) are invited to participate as presenters or attendees. Should you have additional inquiries, please contact fgbulusan@gmail.com or +63939-914-9470.

Participation of the interested participants is personal and shall subject to the no-disruption-of classes policy stipulated in DepED Order No. 9, s. 2005 titled: "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith".

Madam:

Greetings of dedicated service from Batanes State College!

One of the objectives of institutions of higher education such as ours is to cross-pollinate best practices in research and extension services. Consequently, Batanes State College (BSC), in collaboration with four institutions in the nation, will endeavor to establish a platform for this purpose. On September 19-22, 2023, BSC will host the 1st International Multidisciplinary Research and Extension Conference (IMREC). The official endorsement from the Philippine Association of State Universities and Colleges (PASUC), the concept paper, and the conference poster can be accessed through this link, <https://bit.ly/IMREC2023>.

This conference further aims to provide a forum for teacher education researchers to disseminate their research findings that will help advance the quality of basic education and higher education in the country. Moreover, this conference is partnering with the Philippine Regulation Commission accredited CPD provider so that attendance to this conference is legitimately counted for the professional development points of the participants.

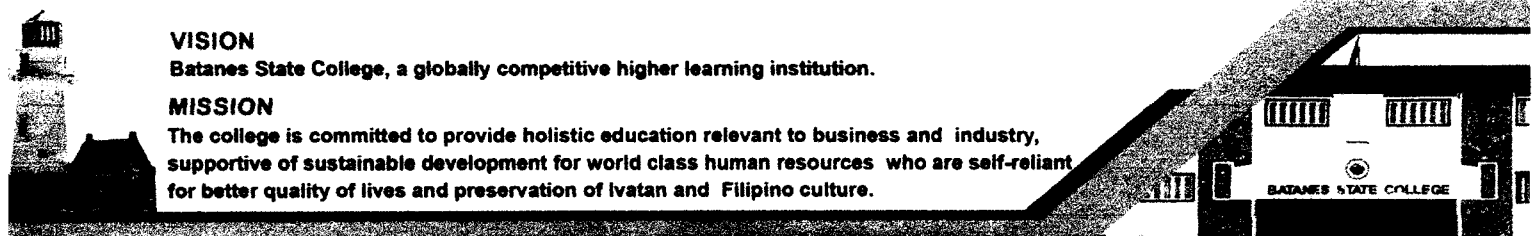

Anent to the foregoing, we would like to invite your faculty researchers in the whole Cordillera Administrative Region (CAR) to participate in this conference as paper presenters or attendees. Primarily, we would like to request for your official endorsement, which may be in the form of a regional memorandum, that will be eventually cascaded to the private and public schools in CAR. We are confident that your endorsement will greatly advance the worth of this conference to the prospective researchers who shall congregate for this academic endeavor.

VISION

Batanes State College, a globally competitive higher learning institution.

MISSION

The college is committed to provide holistic education relevant to business and industry, supportive of sustainable development for world class human resources who are self-reliant for better quality of lives and preservation of Ivatan and Filipino culture.
