2023 NATIONAL PHYSICAL EDUCATION CONVENTION

The 1Physed.Ph Training and Development Services is inviting Physical Education teachers to participate in the conduct of **2023 National Education Convention** with the theme, **“Taking the Next Big Leap: Community Synergy for the Future of Philippine Physical Education”** at De La Salle Santiago Zobel School, Muntinlupa City on December 16-18, 2023.

In this regard, this Office requests the Schools Division Offices (SDOs) to disseminate the said invitation. Participation to said activity is **personal** and **voluntary** and shall subject to the no-disruption of classes policy stipulated in DepEd Order No. 9 s. 2005 titled “Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith”.

Attached is the invitation letter of the proponent, and for concerns regarding the event, kindly contact the following:

CLMD/PA/edv 2023 National Physical Education Convention
0000/October 23, 2023

Date: October 16, 2023

To: **Dr. Estela L. Cariño, Director IV, CESO III**
 DepEd Regional Director - Cordillera Administrative Region (CAR)

Re: Request for Issuance of DepEd Advisory

Dear Dr. Cariño:

Greetings!

1Physed.Ph is a professional training and development service provider with DTI registration number 1921721, BIR registration number 276-646-795-0000, and PRC Accreditation Number PTR 2021 - 344. We are geared towards honing, inspiring, and innovating morally upright Physical Education teachers to be equipped with the necessary, up-to-date, and relevant competencies to deliver world-class programs.

As part of our commitment to provide relevant and meaningful opportunities, we will be organizing the 2023 National Physical Education Convention with the theme, *“Taking the Next Big Leap: Community Synergy for the Future of Philippine Physical Education.”* This will be held on December 16-18, 2023 at De La Salle Santiago Zobel School, Muntinlupa City.

This annual convention intends to provide a clear perspective of the vital role of Physical Education teachers in facilitating effective and meaningful sports and PE programs as primary contributors to bringing fitness and wellness to learners. This will help PE teachers as classroom influencers to create and make an impact for students to value their participation in regular physical activities through various mediums. Furthermore, the convention's activities aim to improve PE teachers' competence by providing them with sessions that will address current and relevant issues and concerns in the Philippine Physical Education Community. A day will be allocated for a workshop training of the new K-10 DepEd Matatag Physical Education and Health Curriculum, Senior High School Health Optimizing Physical Education (H.O.P.E.) Curriculum, Special Program for Sports and Tertiary Service PE Physical Activity Towards Fitness and Health (PATHFIT). The workshop will provide an opportunity for the participants to strengthen their familiarity and competencies in implementing the curriculum. Lastly, the convention's overall goal is to bring together many teachers, researchers, and scholars to discuss and share their experiences and research-based findings in all areas of Physical Education and Sports. It will also serve as a premier interdisciplinary forum for academics, practitioners, and educators to present and discuss the most recent advances, trends, concerns, practical difficulties encountered, and solutions implemented in interdisciplinary research.

In light of this, may we humbly request from your office an issuance of advisory that will inform the field of the activity to help achieve our goals for our PEH teachers.
