STUDENT RESEARCH PROJECT

1. The number of research proposals received by this Office vis-à-vis the number of research titles submitted from the participating schools are as follows:

School	Number of Proposed Titles	Number of Proposals submitted
Abra High School	9	7
Joaquin Smith National HS	1	
Ifugao Technical Vocational HS	1	1
Lepanto National High School	3	4
Mountain Province General Comprehensive HS	2	2
Otucan-Bila National HS	1	1
Pinto National HS	3	2
Tublay School of Home Industries	3	3
Tulaed National HS	1	1
TOTAL	24	21

2. The submitted researches are currently being reviewed and shall be returned to the researchers by January 15, 2022 for finalization. However, due to the differences in the number of Research titles and Research proposals submitted, the Schools Division DRRM Coordinators (PDO II-DRRM) shall submit a final list of research titles and the researchers. Attached is the title of research proposals received by this Office for reference.

3. In preparation for the research presentation, the student researchers shall submit a 2-3 minute video clip introducing their research to be submitted on or before January 12, 2021. The video clip shall contain the following:

- a. Title of the Research;
- b. Name of School, members of the research work and the Teacher Adviser;
- c. Overview of the research;
- d. Brief statement why they chose the research topic; and
- e. What are the situations in the community that made them chose the topic.

4. For information and guidance.
