The World Invention Intellectual Property Associations would like to invite all inventors to participate in the 2022 Shanghai International Invention and Innovation Exhibition. This year's exhibition will be held at the famous Shanghai World Expo Exhibition & Convention Center from April 14th to 16th. It will be a three-day event for the exhibition, competition including the award ceremony.

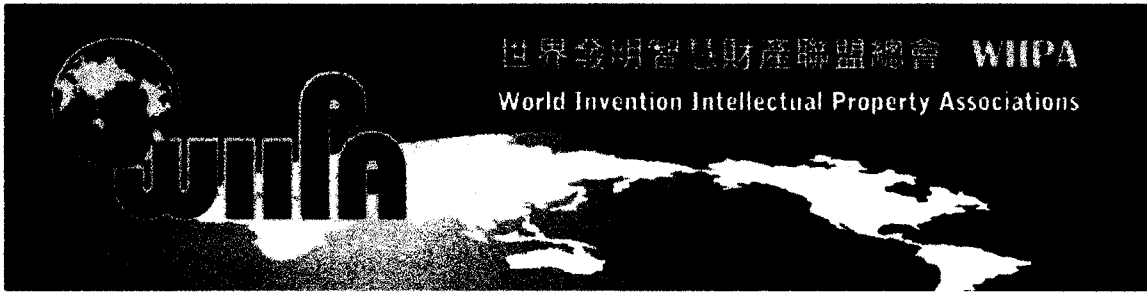

Our objective is to gather the latest inventions and innovations from Asian and European companies, as well as research institutions and schools. The area of concentration for this year's exhibition focuses on the following factors: innovative enterprise zone, innovative invention achievement zone, international invention innovation zone.

Thank you very much for your continued support and we hope to get your valuable presence in this momentous event for another milestone in the world of invention exhibition.

Greetings from WIIPA,

On behalf of World Invention Intellectual Property Associations (WIIPA), I would like to declare that the Association for the Promotion of Polish Science, Technology and Innovation is the official delegation of WIIPA Events, 2022 Shanghai International Invention & Innovation Expo for Filipino.

This document is regarded as strictly confidential. As such, both organizations are expected to be responsible not to disclose the above-mentioned collaboration agreement details to any other parties.

World Invention Intellectual Property Associations (WIIPA)
President,

Hsieh Man-Li
