Dear Dr. Cariño:

We are pleased to inform you that the Science Education Institute of the Department of Science and Technology (SEI-DOST) is launching the "2022 Search for the Brightest STAR" for science and mathematics teachers. This is a nationwide search for teachers who attended STAR (Science Teacher Academy for the Regions) trainings in the regional level from 2014-2021. It aims to recognize and reward teacher-participants who have used their learnings from STAR to make their classrooms, schools, and the teaching community places of innovation and positive change.

We would like to request your support by disseminating this information and encouraging nominations for "brightest STAR teachers" in your region. Please see attached Nominee Information Sheet and the Brightest STAR Primer for reference. These may also be downloaded at <https://e-star.ph/index.php/downloads>. Qualified teachers may accomplish Nominee Information Sheet and submit at <https://bit.ly/3sD9dT5> on or before **June 3, 2022**.

Should you have questions or clarifications, please send us an email addressed to The Search Secretariat at seibrighteststar@gmail.com. You may also contact our SEI staff, April Valdez, at mobile number +639176364420.
