Dear Sir/ Madam:

Greetings in the name of teacher empowerment and professional development!

The Center for Human Research and Development Foundation Inc. as an authorized NEAP Learning Service Provider continuously develops professional development programs that can further hone and enhance the competencies of our teachers using the Philippine Professional Standards for Teachers (PPST) as a framework. This summer we will conduct a 5-day online training entitled **CHRDF Inc. Educator's Congress 2022 (International Seminar Workshop on Science, Math, English, Filipino, Araling Panlipunan, EsP, TLE, Computer Filipino & MAPEH)** from April 22, 23, 24, 30, & May 1, 2022. This learning event gears towards strengthening the ongoing transition to the limited face to face classes in the country amidst the continuous implementation of online distance and modular learning. This will be an opportune time to benchmark with fellow educators coming from various schools and universities here and abroad regarding education amid the pandemic.

The highlights of the program are the paper presentation, teaching demonstration and plenary sessions of highly distinguished speakers. In addition, a recognized NEAP course entitled Reimagining Education through Effective Curriculum Implementation will be integrated in this conference compliant to D.O. no. 001 s. 2020.

Registration fee will be collected to cover all the expenses like speakers' honorarium, admin fee, communication and other related expenses. Consistent to D.O. 9 s. 2005 Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith, all these trainings will be conducted outside DEPED official time/working hours.

We hope that your office can help us disseminate this information to all target audiences through a regional issuance/communication. Interested participants may email us at chrdf.inc@gmail.com for complete details.
