ESTELA L. CARIÑO
Regional Director
Department of Education-CAR

Dear Dir. Cariño:

To improve the dissemination of information on the Education Service Contracting (ESC) and the Senior High School Voucher Program (SHS VP) before students make their choice of schools and strands, the Private Education Assistance Committee (PEAC) would like to request the endorsement of the Department of Education (DepEd) that will allow participating private schools to promote the ESC and SHS VP in public schools in the region.

This voluntary initiative of participating schools ensures that these two subsidy programs of DepEd promote choice and diversity of basic education providers in our education system.

The PEAC also plans to conduct orientation conferences for participating schools and Schools Division Superintendents (SDOs) on the program implementation guidelines in July and August. We will release the official communication on these activities once the details have been finalized.

Thank you for your usual support for the efficient implementation of the ESC and SHS VP.

Very truly yours,
