ADVISORY
No. 054-2022

TRAINING WORKSHOP IN INCLUSIVE SCIENCE EDUCATION FOR LINGUISTIC AND CULTURAL DIVERSITY

To: Assistant Regional Director
Schools Division Superintendents
All Schools Division Offices
All Others Concerned

1. The Philippine Normal University, a National Center for Teacher Education, will be conducting a 6-day intensive **Training Workshop in Inclusive Science Education for Linguistic and Cultural Diversity** to the Science Teachers of DepEd-CAR from July to August 2022 via Zoom Video Conferencing.
2. This activity envisions to help in the aspect of retooling Science faculty members teaching in the preservice to promote inclusive and quality Science Education Teacher education programs.
3. Attached with this Advisory is the letter of PNU and schedule of the training workshop.
4. Interested participants may fill out the pre-registration link: <https://bit.ly/Pre-registrationESTATrainingWorkshop>.
4. For information and wide dissemination.

DR. ESTELA L. CARIÑO

Regional Director

Department of Education – Cordillera Autonomous Region

Wangal, La Trinidad, Benguet

Dear **Regional Director Cariño**:

Greetings!

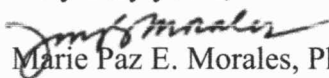

The ESTA-Phil-PNU team would like to extend its appreciation for endorsing the intensive *Training Workshop in Inclusive Science Education for Linguistic and Cultural Diversity* to the basic science teachers of **Department of Education-CAR**.

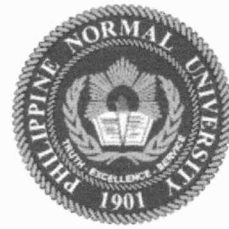

Due to the increasing number of interested participants in the aforementioned training, our team decided to conduct a pre-registration to select participants who will meet our criteria and are committed to complete the 6-day training workshop as we can only accommodate 1,000 participants. The training is equivalent to 15 CPD points which can only be awarded to participants who completed the six sessions.

In this connection, we attached a copy of the program with the pre-registration link. Successful pre-registrants will receive a confirmation email together with the meeting link for the event.

We look forward to your positive response to this request.

Very truly yours,

Marie Paz E. Morales, PhD
Project Lead
