**ESTELA P. CARIÑO, EdD., CESO III**

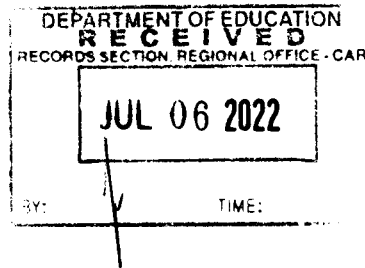

Regional Director  
Department of Education  
Cordillera Administrative Region

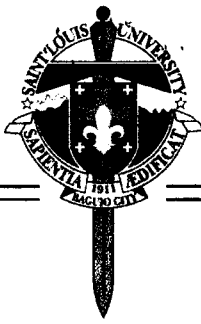

Dear Dr. Cariño:

Greetings!

For many years, the Institute for Inclusive Education Foundation, Inc. (IIEFI) of Saint Louis University has been helping a significant number of learners with visual and hearing impairments of the Department of Education (DepEd). The Foundation has been producing accessible materials for them and has been assisting the parents and students for their integration in the regular schools. Unfortunately, the Foundation will end this July 2022 because its non-government organization partners from Europe are experiencing sustainability concerns and the IIEFI Director also died in June 2021. Hence, the services of the foundation that it has been extending to the DepEd students with disabilities in the Cordillera Administrative Region (CAR) will be stopped.

Cognizant of the importance of the services being provided by the Institute, the School of Teacher Education and Liberal Arts thought of continuing at least the production of the materials for the current students enrolled because they cannot continue with their classes unless they are provided with the accessible materials being provided by the schools. Since the machines, e.g., braille machines and accessible software, are with SLU, we thought of partnering with you for a fund-raising activity because the recipients of these services are DepEd learners. The School of Teacher Education and Liberal Arts, Saint Louis University will conduct a **“Webinar for a Cause”** entitled, **“Authoring, Editing, and Publishing Print and Online Learning Materials”** on **August 10-12, 2022 via Zoom with 15 CPD credit units**. The registration fee that will be collected from this webinar will be used to fund the production and distribution of learning materials and capacity building of the students and parents of students with disabilities enrolled in the different DepEd schools. The amount that will be raised will also help to pay the honorarium of the IIEF staff whose services for the learners will end this July 2022 so that they may still want to continue to share their expertise in the coming months.
