**DR. ESTÉLA L. CARIÑO, CEÑO III**  
Department of Education-CAR  
Regional Director

Greetings in the name of service!

For two years in a row, Covid-19 has restricted our movement, disrupted our face-to-face interactions, and constrained us in attending mass gatherings. Despite this, our campus continues to provide service and host activities which aim to promote science and technology education to the people of Cordillera.

In this year's celebration of the National Science and Technology Week (NSTW), we will once again go virtual in sharing what our campus has to our community. With NSTW's theme, "Agham at Teknolohiya: Tugon sa Hamon ng Panahon", we will be hosting a **free 3-day webinar, *Pisay-Agapay***, primarily **targeted for elementary school teachers** in our region on Dec. 4, 8 and 11 via Zoom. *Pisay-Agapay* will include capacity-building lectures and workshops on research, science education, computer and digital education, and literature and its convergence to science and technology.

Thus, we are respectfully requesting your endorsement of this activity to the elementary teachers of our region through the Division Offices, DepEd CAR Official Website and Social Media Platforms, and other possible means. Attached in this letter is the webinar program and the instructions on how interested participants can register. For further information, you may contact our Training Support Team Chairperson, Ric Joseph R. Murillo through [rrmurillo@carc.pshs.edu.ph](mailto:rrmurillo@carc.pshs.edu.ph).

Thank you in anticipation of your favorable reply to this request.

Sincerely yours,

**CONRADO C. ROTOR JR., Ph.D.**  
Campus Director

# Program
