Relative to the conduct of the ESSD Program Implementation Review, please be informed that the date of conduct scheduled on November 23-24, 2021 as per earlier advisory is moved to **December 2-3, 2021**.

The rescheduling is due to the Declaration of November 23, 2021 as non-working Holiday for the Province of Benguet for its Founding Anniversary Celebration which would adversely affect the attendance of participants for both limited face to face and online.

Immediate and widest dissemination of this memorandum is directed.
