Dear Director Cariño,

Warm greetings!

1PhysEd.Ph is committed to providing meaningful and relevant professional development training and seminars to Physical Education and Health teachers. We envision all schools' physical education units to deliver excellence in their respective academic and extracurricular programs. Being empowered with updated skills will ensure that PE teachers will meaningfully contribute to the wellness of our youth.

With that, this year, 1PhysEd.Ph Training and Development Services will organize the "2022 National Physical Education Teachers' Convention" with the theme: "Cultivating the Philippine Physical Education Community into Greater Heights" on December 1-3, 2022, at Teacher's Camp, Baguio City.

The convention aims to provide a clear perspective of the vital role of Physical Education teachers in facilitating effective and meaningful sports and PE programs as primary contributors to bringing fitness and wellness to learners. This will help PE teachers as classroom influencers to create and make an impact for students to value their participation in regular physical activities through various mediums. Furthermore, the convention's activities aim to improve PE teachers' competence by providing them with sessions that are timely, relevant, and aligned with the demands of the 21st century and the post-pandemic era. Lastly, the convention's overall goal is to bring together many teachers, researchers, and scholars to discuss and share their experiences and research-based findings in all areas of Physical Education and Sports. It will also serve as a premier interdisciplinary forum for academics, practitioners, and educators to present and discuss the most recent advances, trends, concerns, practical difficulties encountered, and solutions implemented in interdisciplinary research.

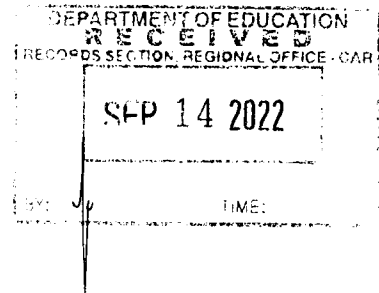

The administration of 1PhysEd.Ph recently submitted the necessary documents and awaits the confirmation of the Professional Regulation Commission to grant the convention with CPD points.

In this regard, we humbly request an endorsement/advisory of this program from your office, intending to reach more Physical Education teachers.

Attached herewith in this email are the complete details of the upcoming conference.

Your acknowledgement and favorable response are highly appreciated. Thank you, and God bless.

Respectfully,

Mr. Paulo Labastida
