For those coming from the provinces of Mountain Province and Kalinga, we have arranged an overnight hotel accommodation for them on July 31, 2024, in time for the Ceremony the following day.

As a prerequisite for their attendance, may we also request DepEd through the school to facilitate the waiver from the student's parents for this purpose?

Relatively, we are honored to invite you to join us in the affair together with three (3) of your staff who have been graciously assisting us in the course of this competition. As partners in health, we would be delighted to have you with us in this engagement as we move towards informing our students and the community about the value of the National Health Insurance Program.

Finally, we earnestly request that you deliver a message on this occasion highlighting our partnership as we pursue better health education for our students in the Cordillera Administrative Region. Please see attached draft flow of the program for your reference and information.

We shall continue to communicate with your staff, Dr. Joanne Bumanghat and Ma'am Georgina Ducayso, for the cascading of the details of the activity to the identified winners/participants. We would also like to take this opportunity to express our appreciation to Ma'am Lauren Likigan for sharing her expertise and proficiency during the judging session of the entries last May 6, 2024.

Again, thank you very much for your support to this endeavor and more power!
