ADVISORY

TO: All City/ Provincial DepEd Focal Persons for the Mass Drug Administration ((Deworming) and All City/ Provincial IHCP Coordinators

**FROM: FERDINAND M. BENBENEN, MD, DPCP, MHA, FPSMS
 Director IV**

DATE: January 30, 2025

SUBJECT: Submission of Quarterly and Annual IHCP Program Reports (Mass Drug Administration Round 1 and 2 Reports)

In pursuant to DOH Department Circular No. 20240 0429, otherwise known as the “Guidelines on the Conduct of Mass Drug Administration (MDA) for Soil-Transmitted Helminthiasis (STH)”, the Regional Integrated Helminth Control and Prevention (IHCP) Program enjoys all implementing health facilities and the local Department of Education (DepEd) for their collective effort in the timely submission of accomplishment reports of the Mass Drug Administration Activities in their respective localities.

In line with this, we request for the timely submission of the abovementioned report on the specified scheduled deadlines for the purpose of updating of our Regional Situational Analysis, submission of regional accomplishment reports to DOH Central office and as basis of allocation of various program commodities in the succeeding months:

From	To	Period Covered	Deadline of submission	Where to send reports

The round metal gong of the Cordillera known locally as “gangsa” is a symbol of the upland people’s culture that has been passed on from generations to another.
 The profile of a person blowing a “tangguyub” represents a community being called for an important matter or action.
 The lines that shape the mountains, the rice terraces, clouds and rivers symbolize the connectivity and flow of human interaction in a geographic area such as the Cordillera.
 All the symbols combined represent unity and harmony of its people with culture and environment in beating the gong for Self-determination.

-----------------------	-----------------------------	---	--	---

Attached is the template of the MDA report for your reference. Kindly coordinate with the regional program coordinator through dohcar.ihcp@gmail.com for an electronic copy of the said template.

Moreover, attached is a copy of the recently disseminated DOH-CHD-CAR advisory on the additional guidelines on the implementation of Mass Drug Administration by Local Government Units (LGUs) for your reference. The latter issuance reflects under page 3, "population to be used for program reporting" that reporting facilities and LGUs are to use the "actual population" for the target population (1-19 years old) based on the masterlist in schools and communities for Soil-transmitted Helminthiasis (STH).

Your compliance is highly appreciated. Thank you very much.
